Inauguration of the exhibition "The material of the built" with the **conference "Sediments" by NUA Architectures, Thursday, June 1, 2023, at 7 p.m., in the meeting room** of the Tarragona District of the College of Architects of Catalonia. Volume 04 of the collection will also be presented.

"El material de lo construido" integrates a traveling exhibition as well as a collection of books of the same name that presents architectural studies outstanding for "good construction", a key condition for achieving "architectural sustainability", essential for project thinking focused on constructive and material development.

The exhibition "El material de lo construido" can be visited from June 1 to July 28, 2023, in the exhibition hall.
