On the occasion of the Rehabilitation Week, which takes place from December 9th to the 14th, the Rehabilitation Fair is held in Plaça de les Glòries, Barcelona, on the 13th and 14th. The fair, organised by CAATEEB with the participation of COAC, is aimed at citizens, individual home owners and home owners associations. The event includes talks and lectures, demonstrations and family workshops, as well as an office for legal and technical advice which will be open for everyone.

CUSTOMISED ADVICE ON HOUSING REHABILITATION

The Adviser's Office is an open contact point with the public, where information and advice will be provided. COAC participates by enabling architects to assist public consultations on housing rehabilitation. Thus, citizens are able to get information and recommendations about possible improvement or maintenance actions as well as subsidies for rehabilitation works.

FAMILY WORKSHOPS

Workshops organised by COAC:

- **"KAPLA Workshop: Barcelona Towers"** (December 13th, from 16.30 to 18.30 pm).

Construction workshop with KAPLA, for children from 6 to 12 years old. KAPLA is an educational game based on rectangular wooden pieces of the same size, with which you can build different shapes.

- **"Recycle Eixample"** (December 14th, from 12 to 14 pm). Workshop for children which aims to familiarize them with the Eixample, make them think about its shortcomings and possible improvements, and finally make proposals through a collective model that will be built with recycled materials.

Family workshops are free, but registration ^[2] is required.
